# Ennis

- Largest town in Munster – Population 25,000
- Ennis Town Centre is distinguished by its medieval townscape character of narrow streets, laneways and traditional buildings, complemented by the natural qualities of the River Fergus.
- The town centre is designated a Recorded Monument, is an Architectural Conservation Area (ACA) and is immediately adjacent to an Special Area of Conservation (SAC).
- Irelands Tidiest Town 2021
- Finalist Irelands Friendliest Town 2021

# Aims of Public Realm Enhancement

Overall aim Ennis Public realm enhancement is to boost economic activity through

- Improved Accessibility

- Universal Accessibility
- Shared Surface
- Cycle Infrastructure
- Reduce Clutter

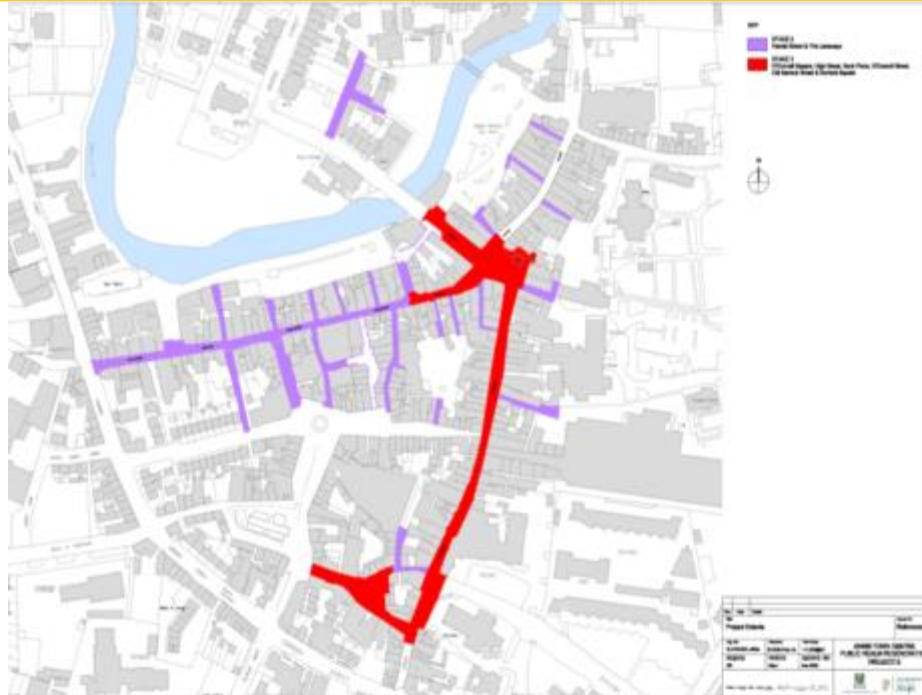

- Increased dwell-time

- Creation of Civic Spaces
- Seating
- Interactive Fountain
- Greening

This should lead to increased pedestrian footfall, street activity and property value, and a longer stay by shoppers and visitors. It also increases the attractiveness of the urban centre and enhances community pride and sense of place.
